FULL BUILDING

An aerial photograph of a city at dusk. In the center is a large, modern arena with a blue roof and glass facade. The arena is surrounded by various city buildings, including several tall skyscrapers with lit windows. A highway with multiple lanes is visible to the right of the arena. The overall scene is illuminated by the warm glow of city lights and the cool blue of the twilight sky.

PHASE 2 SCHEDULE

Design Completion: Targeted by end of 2026

Final Event in Arena: September 2026

Arena Abatement Begins: October 2026

Arena Demolition Starts: Q1 2027

Construction Completion: Q4 2029

The old and the new together

In an unexpected blend

Where it can never lose sight of its past

And can see the future forever...

All dimensions and square footage are preliminary and based on the design development phase documents. Final figures remains subject to verification and will be confirmed at the conclusion of the construction document phase.
